

Adding Fountas and Pinnell levels *

If your school uses the Fountas and Pinnell Guided Reading Program, you can easily add a level to your title records.

* You agree that you are properly licensed to use the Fountas and Pinnell Guided Reading Leveling System to populate your MARC records. The Fountas and Pinnell Guided Reading Leveling System™ is a trademark of Irene C. Fountas and Gay Su Pinnell and is not affiliated with Follett Software Company.

In the Easy Editor

1. Open the Series/Notes tab.
2. Select a level from the Fountas and Pinnell list for the title.
3. Click .

In the MARC Editor

1. Add a 521 tag.
2. In the first indicator position, enter "8".
3. In subfield a, enter the level's letter code.
4. In subfield b, enter "Fountas and Pinnell".
5. Click .

For an example, see the help topic for the field.

➔ The Fountas and Pinnell information appears in the **Additional Info** section of the Title Details page. If you add Fountas and Pinnell information to your records and select the **Support Fountas and Pinnell Searches** check box in **Site Configuration** in the **Back Office**, patrons can limit their searches by a range of Fountas and Pinnell levels in **Library Search** in the **Catalog**.
