

Understanding & Using The Cloud

Presented
by

Shane Sher, Technology Trainer for Providence Public Library

- ☛ Wondering what “the cloud” really is?
- ☛ Seeking to learn more about free tools available for both your students and faculty?
- ☛ Striving to improve the use of technology in your library?

Join us on January 24, 2010 to learn more about what the cloud has to offer your patrons, both students and faculty.

This hands-on workshop provides the opportunity to increase your knowledge of how the cloud works and what part it plays in your role as library media specialist. Mobile devices will be provided to access the Internet during this workshop.

Tuesday, January 24, 2012 4:00 – 6:00 pm
Archie Cole Middle School
100 Cedar Avenue
