

I am what the librarians
have made me with a
little assistance from a
professor of Greek and
a few poets.

Offerings

During the 2011-2012 school year, RILINK will offer workshops on various topics at locations across the state.

RIEMA will co-sponsor some of these sessions.

In addition to the “traditional” workshop format, we will offer webinars allowing members to participate remotely from their schools or homes.

Sites , dates, and times will be announced on both the RILINK and RIEMA lists.

We look forward to a successful year!

Best Practices and Lesson Planning: Share methodologies and strategies that are working to improve student achievement.

Collaborating with Colleagues: This extended session will provide valuable time for you and a fellow teacher to work on a collaborative lesson or project.

Destiny Quest & One Search: Learn more about how these two elements of the Destiny Library Manager software can engage and better serve your students.

Digging Deeper into Databases: Implementation Specialists from the various companies such as EBSCO and Facts on File will offer webinars.

Grant Writing & Funding: This session will offer suggestions on both how to write a successful grant and where to look for such sources of funds.

Inventory Resources with Destiny: More than just a list of the contents of the library, learn how to use this function in Destiny Library Manager to weed and improve your collections.

LORI Certification: the ins and outs of the LORI application process explained. This session will be offered as a webinar.

The New Evaluation System, RTTT, and the Library Media Specialist: Learn more about the emerging teacher evaluation system in RI and its impact on the role of the LMS.

Technology Trends: readers, mobile devices, interactive white boards, the cloud... What technology is currently impacting students and what is the role of the LMS?

Various webinar topics will be announced during the year.

PLEASE NOTE: Sessions with fewer than five participants will be cancelled.

Additional details and registration are available at <http://www.rilink.org/events.htm>.
